

# Ditto Furniture Pickups

---

**Let us take unwanted furniture off your hands and turn it into tuition assistance for St. Louis-area students!**

**DITTO FAMILY RESALE** offers furniture pickups the second Friday of each month. To request a pickup, email **Cari Lowe** at **clowe@dittostl.com** with the following:

- Your name, address (including city and zip) and best phone number
- The furniture items you'd like to donate, and a photo of **each** piece

**You'll receive a response from Ditto within 48 hours** to confirm which furniture items we're able to accept and to begin scheduling your pickup. We may decline some items due to their condition, lack of demand, or lack of space.

Ditto contracts with professional movers.

**To help offset a portion of this expense, we charge a pickup fee of \$25-\$100.** At the time of scheduling, we will give you a cost based on your location and number and size of items. You can remit payment by credit card or check. We cannot secure your spot on the schedule until we receive this payment.

***We also offer furniture pickups to fit individual scheduling needs! Please note, the fee is slightly higher for these pickups. Contact Cari Lowe at the email above to schedule.***

The logo for Ditto Family Resale features the word "ditto" in a white, lowercase, sans-serif font with two small slanted lines above the "i". Below "ditto" is a horizontal line, and underneath that line, the words "Family Resale" are written in a smaller, white, sans-serif font. The entire logo is set against a dark blue rounded square background.
